Program Reminder: Hidden Caves & Secret Passages of Lockport

On April 25th, James Boles will present a free public program called ‘Voids of Lockport: the Hidden Caves and Secret Passages under Lockport, NY.’

A natural cave under the streets of Lockport was closed off in 1886. As a result, there are many local stories and legends about the cave and underground Lockport. Dr. Boles’ program will discuss the history of the cave and some of the hidden rooms, tunnels, sinkholes and rumored passages beneath the city.

The free program will be held at the History Center, 215 Niagara Street in Lockport and will begin promptly at 2:00pm on April 25th.
