

Downtown Lockport 1925 & 1940

3 DVD set

Beginning with rare footage of the 1925 Lockport Old Home Week Parade, “Downtown Lockport’s” main feature is a specially-filmed motion-picture look at the city and surroundings in 1940.

Scenes include downtown Lockport businesses and their employees, local churches and their congregations, a trip up Transit Road to Olcott, and special events on the Erie Canal.
